Thanksgiving Poem

Thanksgiving is coming around;

It's time to show you're thankful.

Our families will come together once again,

And you better believe we'll be hanging with our friends.

The time is here to eat and greet,
and to smile even if it's just for awhile!

Chill with your loved ones all day long;
talk about the fun that is going on.

Thanksgiving is the time to show you're thankful. A time to show your family you care, and that you will always be there.

Humor

Why did the Turkey cross the road?

Because the chicken retired!

What goes up, but never comes down?

Your age!
